NAC 634A 102 Establishment of Accreditation Committee (NRS 634A. 090)

- 1. The Board may establish the Accreditation Committee that is composed of five members, who will recommend to the Board the approval of schools or colleges of Oriental medicine in the State of Nevada and annual approval of curriculum of the school or college. The Accreditation Committee must include three practitioners who practice Oriental medicine in the State of Nevada and have a degree of doctor of Oriental medicine (O.M.D. or D.O.M.) or doctor of Acupuncture and Oriental Medicine (D.A.O.M.) from accredited schools or colleges approved by the government or the Accreditation Commission for Acupuncture and Oriental Medicine (ACAOM), and two public members who are resident in the State of Nevada.**
- 2. The Board may appoint five members to the Accreditation Committee as follows:**
 - 1) First practitioner member whose term is five years;**
 - 2) Second practitioner member whose term is four years;**
 - 3) Third practitioner member whose term is three years;**
 - 4) First public member whose term is three years;**
 - 5) Second public member whose term is two years.**
- 3. The Accreditation Committee may elect a staff consisting of President, Vice President, and Secretary-Treasurer to execute its mission.**
- 4. The Accreditation Committee may publish a guideline or manual to help with standardization of the approval of schools or colleges of Oriental medicine in the State of Nevada.**

5. *The Accreditation Committee shall report to the Board accreditation decisions regarding the approval of schools or colleges of Oriental medicine and annual approval of curriculum.*
6. *The Board may defray approved expenses of the Accreditation Committee.*

Add:
